Subject: Lease Agreement with American Business Continuity Domes, Inc., for Property Located at 1390 NW 14 Avenue, Second, Third, and Fourth Floors, Miami, Florida; and Agreement to Sublease the Property to the State of Florida, State Attorney's Office, Eleventh Judicial Circuit
Lease No. 01-3135-013-0040 – L01

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize execution of the Lease Agreement (Lease) between Miami-Dade County (County) and American Business Continuity Domes, Inc. (Landlord), a Florida for-profit corporation, for property located at 1390 NW 14 Avenue, Miami, Florida, specifically the second, third, and fourth floors of a five-story building, for use as administrative office space by the Office of the State Attorney, Eleventh Judicial Circuit of Florida (SAO). It is also recommended that the Board authorize execution of the sublease agreement (Agreement) for the same property between the County and the SAO. More specifically, the resolution does the following:

- Authorizes the lease of 9,723 square feet of air-conditioned office space, together with five (5) reserved parking spaces.
- Authorizes the sublease between the County and the SAO for the same 9,723 square feet of office space, together with five (5) reserved parking spaces.
- Authorizes a lease term of five (5) years.

Scope

The property is located in County Commission District 5, which is represented by Commissioner Bruno A. Barreiro.

Fiscal Impact/Funding Source

The total fiscal impact to the County for the first year of the lease term is estimated to be \$339,304.22, which is comprised of \$197,376.96 in base rent (\$20.30 per square foot), \$7,895.08 in lease management fees, and \$134,032.18 in telephone and computer equipment and installations, electricity, janitorial services, and security equipment. The annual base rent increases by three (3) percent in Years Three through Five. The base rent includes the build-out of the property, common area maintenance, property insurance, pest extermination, water usage, and ad valorem real estate taxes.

The total fiscal impact to the County for the five-year lease term is estimated to be \$1,418,137.26 (i.e., \$1,023,054.18 in rent; \$40,922.18 in lease management fees; \$354,160.90 in telephone and computer equipment and installations, security equipment, and monthly electricity and janitorial services). The lease management fee represents four (4) percent of the annual base rent and is paid to the Internal Services Department for administration of the Lease and the Agreement.

The County is required by Article V, Section 14 of the Florida Constitution to cover the cost of the lease, maintenance, utilities, and security of facilities for the Trial Courts, Public Defender's Office, State Attorney's Office, and the Office of the Clerk of Courts. All costs associated with the Lease shall be funded from the General Fund.

Track Record/Monitor

The County has no record of negative performance issues with the Landlord. The Lease and the Agreement were prepared by the Internal Services Department's Real Estate Development Division. Linda Weber in the Internal Services Department's Real Estate Development Division is the Lease Monitor. A copy of the Lease and the Agreement will be provided to the Property Appraiser's Office within 30 days of their execution.

Delegation of Authority

This item authorizes the County Mayor or the County Mayor's designee to execute both the Lease between the Landlord and the County and the Agreement between the County and the SAO, and to exercise all other rights conferred within those documents.

Background

The SAO has communicated to the County the shortage of office space in its main location, located at 1350 NW 12 Avenue, Miami, Florida, to perform its administrative and legal functions. The current space is insufficient for holding depositions and accommodating legal proceedings. The proposed Lease and Agreement provides for the needed additional general office space. The property is conveniently located for the SAO as it is in close proximity to the SAO's main building and the nearby criminal courthouse, located at 1351 NW 12 Street, Miami, Florida. There is no County-owned space available in this area. The County, through the Internal Services Department, will be listed as the tenant of the property. The SAO will be the sub-tenant, occupying the property, with the County continuing to be responsible for the rent and certain other expenses.

Additional lease details are as follows:

COMPANY PRINCIPALS:	John Fedele, Director Peter Fedele, Director Mary F. Maguire, Director Ken Fedele, Director
LEASE TERM:	Five (5) years
EFFECTIVE DATES:	Commencing on the date the Landlord's improvements are substantially completed, which is anticipated to be approximately seven (7) months from Board approval.
RENTAL RATE:	The annual base rent for the five-year term is as follows: \$197,376.96 for the first lease year and \$197,376.96 for the second lease year; base rent for the third, fourth, and fifth lease years shall increase by three (3) percent per year.
LEASE CONDITIONS:	The Landlord shall pay water, sewer, and gas during the term of the Lease. The Landlord shall also be responsible for repair and maintenance of the structural portions of the leased property including, but not limited to, the roof, plumbing, flooring, HVAC, electrical systems, and elevator service. The County shall reimburse the Landlord for its proportionate share of electrical charges used by the SAO. The County shall be responsible for funding the telephone and computer equipment and installations, janitorial services, and security equipment.

The Landlord expressly reserves the right to offer relocation opportunities to the County and the SAO within a four (4)

block radius of the property should the Landlord develop a different property during the term of the Lease, with any relocation occurring only with the County's prior written approval and at the Landlord's expense.

CANCELLATION PROVISION:

The County shall have the right at any time to terminate the Lease, or any portion thereof, by providing the Landlord at least 60 days' prior written notice of such termination. If the County terminates the Lease during the term, the County will be responsible for reimbursing the Landlord for the unamortized portion of the Landlord's improvements estimated at \$680,610.00, (\$11,343.50 per month over 60 months).

**OTHER PROPERTIES
EVALUATED:**

- (b) Prior to the Tenant taking possession of the Premises, the Landlord shall cause the Premises to be prepared for occupancy. The cost associated with any and all Landlord Improvements, as defined below, will be borne by the Landlord, unless specifically stated to the contrary herein, with an agreed upon amount for timely performing such work. "Substantially Completed" or "Substantial Completion" as that term is used herein, shall mean the date when all major construction aspects of the Premises, including, but not limited to, any remodeling work to be performed by the Landlord are completed, as evidenced by a Certificate of Occupancy, although minor items that will not interfere with the business or operation of the Tenant, as determined by the Tenant, need not be completed prior to the Commencement Date. Prior to securing the Certificate of Occupancy, the Landlord shall notify the Tenant, at least ten (10) calendar days in advance that the Landlord Improvements are nearing completion, so that the Tenant can prepare to occupy the Premises. The ten (10) day notice to Tenant shall be in writing, and shall require the Tenant to sign and return a copy of the notice to the Landlord. If the Tenant fails to sign and return the notice to the Landlord within seven (7) calendar days of its receipt from Landlord, the Landlord shall send a second and final written notice to the Tenant at least two (2) calendar days prior to securing a Certificate of Occupancy. After 210 calendar days, the Tenant may elect to either terminate this Lease, without paying any compensation to the Landlord, or receive from the Landlord the sum of One Hundred (\$100.00) Dollars per day. Should the Tenant cause any delay in the Landlord completing the Landlord Improvements, then such period of delay shall not be counted against the Landlord. The Landlord must document the delay and have the Tenant sign-off, evidencing that the delay was caused by the

Tenant. An example of such delay caused by the Tenant is if the Tenant requests a different type or color of carpeting, after the carpeting was initially approved by the Tenant and installed by the Landlord.

- (d) Holdover. If Tenant retains possession of the Premises after the expiration of this Lease, including any and all renewals thereof, unless otherwise agreed in writing, such possession shall automatically become one of month-to-month, and the Rent shall be one hundred (100%) percent of the then current Base Rent, subject to the commencement of Lease negotiations. If lease negotiations have not commenced, Rent during such month-to-month tenancy shall be the rental rate being paid during the last month of the Initial Term or any extension of the Initial Term, multiplied by 103% for the first six (6) months, and 150% thereafter. All of the other terms and conditions of this Lease shall remain the same, and be applicable during such holdover period.

Tenant shall relocate to the new Relocated Demised Premises and surrender possession of the existing current Premises to the Landlord within fifteen (15) days after completion of the build-out of the newly Relocated Demised Premises and after all final inspections have been approved and/or the date the Certificate of Occupancy is issued. All costs associated with the construction, relocation and all third party out of pocket moving expenses directly incurred by the Tenant in connection with the "relocation" will be borne by Landlord.

If any law(s) shall, by reason of the nature of Tenant's use or occupancy of the Premises, impose any duty upon the Tenant or Landlord with respect to the following: (i) modification or other maintenance of the Premises, or (ii) the use, alteration, or occupancy thereof, the Tenant shall comply with such law at Tenant's sole cost and expense.
- (d) The Tenant shall neither suffer nor permit the Premises, nor any part thereof, to be used in any manner, nor anything to be done therein, nor suffer or permit anything to be brought into or kept therein, which would in any way: (i) make void or voidable any fire or liability insurance policy then in force with respect to the Premises, the Building, and/or the Land; (ii) make unobtainable from insurance companies authorized to do business in the State of Florida and fire insurance with extended coverage, liability, elevator, or other insurance required to be furnished by the Landlord under the terms of any lease or mortgage to which this Lease is subordinate at standard rates; (iii) cause or in the Landlord's reasonable opinion be likely to cause physical damage to the Premises, the Building, and/or the Land; (iv) constitute a public or private nuisance; (v) impair the appearance, character or look of the Building; (vi) discharge objectionable fumes, odors, or vapors into the air conditioning system of the Building, or into the Building flues or vents not designed to receive them or otherwise in such manner as may unreasonably offend other occupants of the Building; (vii) create unnecessary waste in, on or around the Premises, the Building, and/or the Land; and/or (viii) make any noise or set up any vibration which will disturb other tenants, except in the course of repair or alterations, or at other times authorized by the Landlord.
- (e) The Landlord hereby acknowledges and agrees that should the Office of the State Attorney elect to cancel its agreement with the Tenant to occupy the Premises, that the use and purpose relating to the Premises shall also change, and will conform to the new subtenant that the Tenant subleases the Premises to in the future.

- (c) Electrical. The Premises shall be metered. - (d) HVAC. Landlord shall provide Tenant with access to the HVAC system on a 24/7 basis. Landlord shall provide heating and air conditioning in season to both the Building, and the Premises, and at temperatures that are standard for comparable buildings in Miami-Dade County, or as are required by a governmental authority. - (g) Renovation. The Landlord, at the beginning of the Lease Term, shall paint the walls and ceiling of the Premises and replace any needed flooring including, but not limited to carpeting and/or tiles, or at minimum inspect the Premises with the Tenant to determine if any renovation work is necessary, and in addition, replace or repair any worn, damaged, or unhygienic carpeting and/or tiles, which cannot be restored by cleaning, as determined by the Landlord. Shall Tenant require additional renovation work, Landlord will provide such services to Tenant at Tenant's expense.

6. MAINTENANCE AND REPAIRS

- (a) Landlord's Duties. Notwithstanding any other provisions of this Lease, the Landlord shall repair and maintain the structural portions of the Building, including, but not limited to, common areas of the Building, the elevator(s), plumbing, HVAC systems (including, but not limited to filters for HVAC), and electrical systems that are installed or furnished by the Landlord throughout the Building and the Premises, unless issues to the maintenance and repairs are caused by the gross negligence, or the intentional or willful act of the Tenant, its agents, vendors, employees, licensees, or invitees, in which case the Tenant shall pay the Landlord the cost of such maintenance and/or repairs, less the amount of any insurance proceeds received by the Landlord on account thereof. The Landlord shall be solely responsible for any and all damages and repairs caused by the Landlord, and/or its employees, agents and/or vendors. The Landlord shall maintain and keep in good order, condition, and repair the Building, including, but not limited to, the roof, foundations, walls, the curtain wall, including any and all glass connections, all exterior doors, exterior locks on exterior doors and windows, ballasts, plumbing, fixtures, the Building ventilation system, elevators, Building telephone systems, fire alarm systems (excluding Tenant installed alarm and security systems), the lobby(ies), the corridors, any and all flooring, including any carpeting or tile repair or replacement, electrical closets, interior portions of the Building, both above and below grade which are not covered by the Lease, pest control, landscaping, walkways, pathways, sidewalks, and the parking lot

The Landlord shall make any and all repairs within a reasonable period following receipt of notice of the need thereof from the Tenant. The Landlord shall also keep in good order, condition, and repair all Building equipment used by the Tenant in common with other tenants, and replace the same at the end of such equipment's normal and useful life. In the event that the Landlord fails to properly or timely maintain and repair the Building, the Premises, and/or the Land, the Tenant, unless otherwise described in this Lease, shall have the right, but shall not be required to do so, after sixty (60) days' written notice to the Landlord, to make any and all repairs to the Building, the Premises, and/or the Land, which the Tenant reasonably believes is necessary to timely and properly operate its business functions, and/or which present a reasonable concern for safety for the Tenant, or any of its agents, vendors, employees, licensees, or invitees, and the cost of such repairs, including materials, labor, and overhead, at Tenant's election may be invoiced to the Landlord, or such amount reduced from the Base Rent. Further, the Tenant shall have no liability to the Landlord for any damages; inconvenience or interference regarding the use or any damage to the Building, Premises and/or Land as a result of performing any such work. The Landlord shall be liable to Tenant for any injury or interference with Tenant's business arising from the failure of the Landlord within 48 hours to make any repairs, alterations, improvements in or to any portion of the Building, the Premises, and/or the Land.

(a.1) Notwithstanding the forgoing, the Landlord shall make any and all necessary repairs to the HVAC system within twenty-four (24) hours upon receiving any notice or complaint from the Tenant. Landlord will provide temporary spot coolers within 24 hours to the Tenant in the event of an HVAC outage. Should the Landlord fail to timely address the necessary repairs to the HVAC system within 48 hours, the Tenant shall be authorized to do any of the following: (i) hire a third party company to make the necessary repairs to the HVAC system, and reduce the Rent payment for the costs associated with such repair(s); (ii) utilize employees of the Tenant to repair the HVAC system, and reduce the Rent payment for the costs associated with such repair(s); and/or (iii) not occupy the Premises, and reduce the Rent by the number of days that the Premises was not utilized by the Tenant, in addition to reducing the Rent by any and all damages, such as, but not limited to, loss of business.

(a.2) In order to minimize any disruption to the Tenant's use of the Premises, the Landlord shall notify the Tenant in advance of any maintenance and/or repairs to be performed in the Premises, and/or which will affect the Premises. Upon receiving the Landlord's notice of pending repairs and/or maintenance, the Tenant shall reasonably consent to such work, and the Landlord shall proceed to construct, improve, repair and/or complete any work that is necessary to properly maintain the Premises. Any and all repairs to the Premises shall, to the greatest extent possible, be performed during non-working hours, to further minimize the impact upon the Tenant, and its employees. Should any of the Premises be unusable to the Tenant, as a result of the Landlord's repairs, the Tenant shall be entitled to Rent abatement for the period of time such repairs are undertaken.

(b) Tenant's Duties. The Tenant, at Tenant's sole cost and expense, shall, except for services

furnished or otherwise provided by the Landlord, maintain the Premises, and all trade fixtures contained therein ("within the four walls") in a safe, clean, and neat condition, and otherwise in good order and repair. The Tenant shall maintain showers, toilets, wash basins, kitchen facilities, and any supplemental HVAC system (including all plumbing connected to said system installed by or on behalf of the Tenant). Further, the Tenant shall pay for the cost of any repairs to the Premises, the Building, or the Land made necessary by any gross negligence or willful misconduct of the Tenant, or any of its agents, vendors, employees, licensees, or invitees. In the event that the Tenant fails to so maintain the Premises in good order, condition, and repair, the Landlord shall give the Tenant thirty (30) days' notice to do such acts as are reasonably required to properly maintain the Premises. In the event that the Tenant fails to commence such work within the thirty (30) day period, and diligently pursue it to completion, then the Landlord shall have the right, but shall not be required, to do such acts and expend such funds, at the expense of the Tenant, as are reasonably necessary to perform such maintenance and repairs. Landlord shall have no liability to Tenant for any damage, inconvenience or interference with the use of the Premises by Tenant as a result of performing any such work.

- (c) Supplemental HVAC System. The Tenant acknowledges and agrees that whenever a special HVAC system is installed in all or part of the Premises, at the direction or benefit of the Tenant, the Tenant shall enter into a regularly scheduled preventative maintenance and service contract, at the Tenant's sole cost and expense, which contract shall be either through a third-party agent or vendor of the Tenant, or by employees of an agency or department of the Tenant, which has the appropriate and experienced maintenance and service personnel for servicing such HVAC system and equipment, and shall provide the Landlord with a copy of the same. Any third-party contract shall be subject to the Landlord's prior approval, which approval will not be unreasonably withheld or delayed. Such contract shall include, at minimum, all services recommended by the equipment manufacturer and must be effective within sixty (60) days when the supplemental HVAC system is installed. The Landlord shall maintain a copy of the manufacturer's warranty information, if any, and will cooperate with the Tenant to the extent warranty repairs are required.

7. ALTERATIONS AND IMPROVEMENTS

- (a) The Tenant shall make no alterations, additions, and/or improvements to the Premises, or any portion thereof, without obtaining the prior written consent of the Landlord. The Tenant shall submit any such request to the Landlord at least thirty (30) days prior to the proposed commencement date of such work. Landlord may impose, as a condition to such consent, such requirements as the Landlord may deem necessary in its reasonable judgment, including the manner in which the work is performed, the times during which the work is to be accomplished, approval of all plans and specifications, and the procurement of all building permits and licenses. Further, the Landlord shall be entitled to post notices on and about the Premises with respect to the Landlord's non-liability for mechanics' liens in connection with alterations or improvements made by the Tenant, and Tenant shall not permit such notices to be defaced or removed. Tenant further agrees not to connect any apparatus, machinery, or device to the Building systems, including electric wires, water pipes, fire safety, and HVAC system, without the prior written consent of the Landlord.

- (b) All alterations, improvements, and/or additions to the Premises shall be deemed a fixture, and thereby a part of the real estate and property of the Landlord, and shall remain upon and be surrendered with the Premises as a part thereof without molestation, disturbance or injury at the end of the Term of this Lease, whether by expiration or otherwise, unless the Landlord, by notice given to the Tenant, shall elect to have the Tenant remove all or any such alterations, additions, and/or improvements (excluding non-movable office walls), and in such event, the Tenant shall promptly after the termination of this Lease, remove, at its sole cost and expense, such alterations, improvements, and/or additions, and restore the Premises to the condition in which the Premises was in prior to the making of the same, reasonable wear and tear excepted. Notwithstanding the foregoing, all moveable partitions, Information Technology (IT) communication cabling and wiring, telephones, and other machines and equipment which are installed in the Premises by or for the Tenant, without expense to the Landlord, and can be removed without structural damage to, or defacement of, the Building or the Premises, and all furniture, furnishing, equipment, and other articles of property owned by the Tenant, and located in or about the Premises (all of which are herein called the "Tenant's Property") shall be and remain the property of the Tenant, and may be removed by the Tenant at any time during the Term of this Lease. However, if any of the Tenant's Property is removed, Tenant shall repair or pay the cost of repairing any damage to the Building, and/or the Premises, resulting from such removal. All additions, improvements, and/or alterations which are to be surrendered with the Premises shall be surrendered with the Premises, as a part thereof, without cost to, or compensation by, the Landlord, at the end of the Term of this Lease, or the earlier termination thereof. Tenant may remain in the Premises up to five (5) days after the Termination Date, without the payment of Rent, for the sole purpose of removing Tenant's Property. If Tenant fails to remove any of Tenant's Property after vacating the Premises, beyond the aforementioned five (5) day period, without Landlord's consent, the Landlord, at Tenant's expense, may remove and either dispose of, or store, the Tenant's Property and perform any other required clean-up and/or repairs to the Premises. Tenant, within sixty (60) days after receipt of an invoice from the Landlord, shall reimburse the Landlord for the reasonable cost incurred by the Landlord for the removal, and disposal or storing of Tenant's Property, and the clean-up and/or repair of the Premises.
- (c) If the Landlord permits persons hired, retained, or requested by the Tenant (other than employees of the Tenant) to perform any alterations, improvements, and/or additions to the Premises, then prior to the commencement of such work, the Tenant shall deliver to the Landlord sufficient proof evidencing the appropriate licenses, and insurance as reasonably required by the Landlord. Any and all such insurance shall name the Landlord as an additional insured, and shall provide that the same may not be canceled or modified without thirty (30) days prior written notice to the Landlord.
- (d) Tenant shall have the right, at its sole cost and expense, to install a security or burglar alarm system, fire alarm, in or about the Premises. Further, the Tenant shall also be permitted to install an antenna on the Premises or within the Building, to provide better cellular telephone reception primarily for the Tenant, and/or its employees. Plans regarding the installation of antennas or alarm systems must be submitted to the Landlord for prior review and approval.

8. RIGHT OF QUIET ENJOYMENT

- (a) If, and so long as, Tenant pays the Rent, and keeps and performs each and every term, covenant, and condition under this Lease, the Tenant shall quietly enjoy the Premises for the term hereof, and any extension or renewal thereof, without hindrance or molestation by the Landlord, or anyone claiming by, through or under the Landlord, subject to terms, covenants, and conditions of this Lease.
- (b) Landlord shall pay any and all taxes and assessments so as not to jeopardize Tenant's use and occupancy of the Premises. The foregoing notwithstanding, the Landlord shall be entitled to contest any tax or assessment which it deems to be improperly levied against the Premises, the Building, and/or the Land, so long as the Tenant's use of the Premises is not interfered with throughout the Term of this Lease.
- (c) Without limiting any of its rights, the Tenant may cancel, or otherwise terminate, this Lease upon thirty (30) days' notice to the Landlord in the event that quiet enjoyment or use of the Premises is prohibited or substantially interfered with by an action or inaction of the Landlord, provided that from the date of receipt of notice from the Tenant to the Landlord, the Landlord shall have fifteen (15) days to cure the prohibition or interference affecting the Tenant's quiet enjoyment or use of the Premises.

9. ASSIGNMENT AND SUBLETTING

- (a) The Tenant shall not permit any part of the Premises to be used or occupied by any person(s) other than the Tenant, and its employees, licensees, and invitees. Tenant shall not voluntarily, by operation of law, or otherwise, assign, sub-lease, transfer, or encumber this Lease, or any interest herein, or part with possession of all or any part of the Premises, without the Landlord's prior written consent, which shall not be unreasonably withheld; provided that the Tenant may, without Landlord's consent, assign or sub-lease the Premises to a different agency or department of the Tenant, and/or the State of Florida, including any agency or department thereof at any time, and from time to time, so long as Tenant is not in default under this Lease. Any assignment or sub-lease without the Landlord's prior written consent, as required herein, shall be void or voidable, at the Landlord's discretion, and may, at Landlord's election constitute a default hereunder, notwithstanding Landlord's acceptance of Rent payments from any purported assignee or sub-tenant.
- (b) In the event of any such assignment or subletting, the Tenant shall remain fully liable for the performance of all of the terms and conditions of this Lease, unless the Landlord, in writing, consents to the Tenant being released from any further liability or responsibility under this Lease.
- (c) Landlord's consent in one instance, and any other act or acts of Landlord or its agents, shall not be deemed to constitute consent to any subsequent assignment or subletting.
- (d) To the extent that the Landlord's consent is necessary, the Tenant shall provide the Landlord with a copy of any proposed assignment or sub-lease of the Premises, and to the extent then available a copy of any document pursuant to which any such assignment or sub-lease may be made, at least twenty (20) business days prior to the proposed effective

date of the assignment or sub-lease. The Landlord shall approve or disapprove of the proposed assignment or sub-lease within ten (10) business days of receiving the proposed assignment or sub-lease. The failure of the Landlord to disapprove any proposed assignment or sub-lease with such ten (10) day period shall be deemed to be an approval by the Landlord of such proposed assignment or sub-lease.

- (e) Notwithstanding the foregoing the Landlord hereby acknowledges that the Tenant intends to sub-lease the Premises to the Office of the State Attorney, 11th Judicial Circuit and hereby consents to such sub-lease, a copy of the Sub-lease Agreement between the Tenant and the Office of the State Attorney, 11th Judicial Circuit, is attached hereto, marked "Exhibit C" and is incorporated herein by this reference. Landlord has sole right to amounts paid in excess of Base Rent, excluding any commissions, fees or charges paid to the Internal Services Department.

10. LIENS AND INSOLVENCY

Tenant shall keep the Premises, the Building, and the Land free from any liens arising out of any work performed, materials furnished, or obligations incurred by the Tenant.

11. EMINENT DOMAIN

- (a) If any part of the Premises, the Building, and/or the Land (not resulting in a total taking of the Premises, thereby causing a termination of this Lease) is taken under the power of eminent domain, or similar authority or power, or sold under imminent threat thereof, to any public or quasi-governmental authority or entity, this Lease shall terminate as to the part of the Premises so taken or sold, effective as of the date taking, or the date that delivery of possession is required, by such public or quasi-governmental authority or entity. The Rent for the remainder of the term under this Lease shall be reduced in the proportion that the Tenant's total square footage is reduced by the taking. Further, the Tenant shall be entitled to recover and keep for itself from the public or quasi-governmental authority or entity any amount(s) necessary to compensate the Tenant for any and all damages, losses, and for any other reason attributable as a result of such taking.
- (b) If a total taking of the Premises, the Building, or the Land occurs, or if a partial taking or the sale of the Building, or the Land occurs, and it: (i) results in an inability of the Tenant to use the Premises for the Tenant's intended purpose, as determined by the Tenant; or (ii) renders the Building unviable or useless to Landlord or the Tenant, this Lease shall terminate, with such termination being made effective one hundred eighty (180) days after the Tenant receives notice of such taking, or when the taking occurs, whichever is sooner.
- (c) All condemnation awards and similar payments shall be paid and belong to the Landlord, except any amounts otherwise described above in this Lease, in addition to any amounts awarded or paid specifically for Tenant's trade fixtures, loss of business, relocation costs, and other benefits that the Tenant is otherwise entitled to receive under the law. Nothing contained herein shall prevent or diminish the Tenant's right to deal on its own behalf with the condemning authority.

12. ACCESS OR ENTRY BY LANDLORD

- (a) Upon twenty-four (24) hours prior written notice to Tenant (except in the event of emergency), the Landlord or Landlord's employees, and/or agents, may enter the Premises at reasonable times for the purpose of inspecting, altering, improving, or repairing the Premises, or other portions of the Building, and for ascertaining compliance by Tenant with the provisions of this Lease. Landlord certifies that Landlord and Landlord's employees and/or agents have passed a criminal background screening. Upon forty-eight (48) hours prior written notice to Tenant, contractors shall be granted access for the purposes listed above. During the course of any such inspection, the Landlord, and/or its employees, agents, and/or contractors shall be escorted by an employee of the Tenant throughout the Premises.
- (b) Landlord may also show the Premises to renters, or lenders during regular business hours, and upon 48 hours prior written notice to Tenant, provided that the Landlord shall not unreasonably interfere with the Tenant's business operations, or with Tenant's use and occupancy of the Leased Premises. Landlord may show the Premises to prospective purchasers the last four months of the term of the Lease, upon 48 hours prior written notice to Tenant. During the course of any such showing of the Premises, the Landlord, the prospective renters, lenders, and/or purchasers shall be escorted by an employee of the Tenant throughout the Premises.
- (c) Landlord shall repair, at Landlord's expense, and damage to the Premises resulting from the exercise of the foregoing right of access by Landlord, or any of Landlord's employees, agents and/or contractors.

13. SIGNAGE

- (a) All signs, symbols, and logos placed on the doors or windows or elsewhere about the Premises, which are visible from outside of the Premises, or upon any other part of the Building, including building directories, shall be subject to the approval of the Landlord, which approval shall not be unreasonably withheld or delayed.
- (b) The Tenant shall be entitled to have its name displayed on any and all existing Building directory, if any, and any outdoor monument sign, if any, at the Landlord's sole cost and expense; provided, however, in the event that the Tenant requests any changes to the initial display, the Tenant hereby agrees that any out-of-pocket costs incurred by the Landlord in connection with such changes shall be the responsibility of the Tenant, and shall be reimbursed by the Tenant within thirty (30) calendar days following receipt of an invoice and evidence of actual payment related thereto.

14. INSURANCE

- (a) Landlord's Insurance. The Landlord will, during the term of this Lease, at its sole cost and expense, carry fire, windstorm, hail, flood, and extended coverage insurance on the improvements of the Premises and the Building, to the full replacement value.
- (b) Tenant's Insurance. The Tenant is self-insured. Further, the Landlord hereby acknowledges that the subtenant, the Office of the State Attorney, 11th Judicial Circuit, is also self-insured.

Landlord shall pay all claims and losses in connections therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Tenant, where applicable, including appellate proceedings and shall pay all costs, judgments, and attorneys' fees which may issue thereon. Landlord expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Landlord shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Tenant, or its officers, employees, agents, and instrumentalities as herein provided.

- (b) If the Tenant's use and occupancy is materially interfered with as a result of any act or inaction by the Landlord, its employees, agents, contractors, licensees, and/or invitees, then, in addition to any other remedy, the Tenant shall be entitled to an abatement of the Rent.
- (c) The Tenant shall not be liable for any damage or injury which may be sustained by any party or person in the Premises, or in the Building, or on the Land, other than the damage or injury caused solely by the gross negligence of the Tenant, its officers, employees, vendors, or agents, subject to the limitations of Florida Statutes, Section 768.28.

16. HAZARDOUS MATERIALS

- (a) The Landlord represents and warrants to the Tenant that no Hazardous Materials, as defined below, have been located on the Premises, or have been released into the environment, or discharged, placed, or disposed of at, on, or under the Premises. The Landlord further represents and warrants that to the best of its knowledge, information, and belief, the Premises, the Building, and/or the Land have never been used as a dump for any Hazardous Materials, as defined below, and that at all prior uses of the Premises, the Building, and/or the Land have at all times complied with any and all statutes, laws, rules, and/or regulations pertaining to Hazardous Materials.
- (b) The term "Hazardous Materials" shall mean any substance, material, waste, gas, or particulate matter, which at the time of the execution of this Lease or any time thereafter is regulated by any local governmental authority, the State of Florida, and/or the United States Government, including, but not limited to, any material or substance which is: (i) defined as a "hazardous material", "hazardous substance", "extremely hazardous waste", or "restricted hazardous waste" under any provision of the State of Florida and/or the United States Government; (ii) petroleum; (iii) asbestos; (iv) polychlorinated biphenyl; (v) radioactive material; (vi) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C., Section 1251, et seq. - (c) The Landlord hereby indemnifies the Tenant from and against any matter related to the representation and covenant provided regarding Hazardous Materials.

17. DESTRUCTION OF, OR DAMAGE TO, THE PREMISES

If the Premises, or any part thereof, or any appurtenance thereto, is so damaged by fire, casualty or structural defects, such damage or defects not being the result of any act of negligence by Tenant, or by any of Tenant's agents, employees, vendors, or invitees, that the same cannot be used for Tenant's purposes, then Tenant shall have the right at any time within ninety (90) days following damage to the Premises to elect by notice to Landlord to terminate this Lease as of the date of such notice. In the event that minor damage is sustained to any part of the Premises, and if such damage does not render the Premises unusable for Tenant's purposes, Landlord shall promptly repair such damage at the cost of the Landlord. In making the repairs called for in this paragraph, Landlord shall not be liable for any delays resulting from force majeure. Tenant shall be relieved from paying Rent and other charges during any portion of the Lease Term that the Premises is uninhabitable, inoperable, or otherwise unfit for occupancy, or use. Rent payments and other charges paid in advance for any such periods shall be credited on the next ensuing payments, if any, but if no further payments are to be made, and any remaining advance payments shall be refunded to Tenant. The provisions of this paragraph extend not only to the matters aforesaid, but also to any occurrence which is beyond Tenant's reasonable control and which renders the Premises, or any appurtenance thereto, uninhabitable, inoperable or otherwise unfit for occupancy or use.

18. TENANT'S DEFAULT AND REMEDIES

It shall be an "Event of Default" if: (i) Tenant fails to pay Rent, or any other charges, when such payment by Tenant is due hereunder, and such failure continues for fourteen (14) business days after receipt of written notice thereof was made to Tenant by the Landlord (with the exception for any payment due in October, as described above in Article 3, Rent); (ii) Tenant violates or fails to perform any of the other conditions, covenants, or agreements under this Lease, and such violation or failure continues for thirty (30) calendar days after written notice thereof to Tenant by Landlord, or if such default cannot be cured within such thirty (30) day period, then if the Tenant commences to cure the default within the thirty (30) day period, but fails to proceed diligently and fully cure the default within ninety (90) days; (iii) Tenant makes a general assignment for the benefit of creditors, or files a petition for bankruptcy, or other reorganization, liquidation, dissolution, or similar relief; (iv) a proceeding is filed against the Tenant seeking bankruptcy, reorganization, liquidation, dissolution, or similar relief, which would have a direct impact upon this Lease, and which is not dismissed within one hundred twenty (120) calendar days; (v) a trustee, receiver, or liquidator is appointed by a court of competent jurisdiction, for the Tenant, or a substantial part of its property and/or assets; (vi) Tenant's interest under this Lease is taken upon execution or by other process of law directed against the Tenant; (vii) Tenant mortgages, assigns (except as expressly permitted in this Lease), or otherwise encumbers Tenant's interest under this Lease.

19. LANDLORD'S DEFAULT AND REMEDIES

- (a) Except as otherwise specified in this Lease, if the Landlord defaults in the performance of any term, condition, and/or covenant hereof, and such default continues for thirty (30) days after receipt of notice from the Tenant, or if the default cannot be reasonably cured within thirty (30) days then for a reasonable period of time thereafter up to a maximum of ninety (90) days, then the Tenant may, at its option, but subject to the other terms, condition, and covenants of this Lease, terminate this Lease upon thirty (30) days prior written notice to the Landlord. Further, Tenant also reserves the right, at its option, to cure any of the Landlord's defaults, after written notice to the Landlord, and the Landlord shall immediately (within thirty (30) calendar days) reimburse the Tenant for all costs and expenses, including, but not limited to labor and materials, or alternatively, the Tenant shall be permitted to deduct the amount for such work from the Rent.
- (b) Notwithstanding anything else set forth in this Lease, in the event the Landlord defaults on any of the terms, conditions, and/or covenants of this Lease, the Tenant shall be entitled to pursue any and all remedies available to the Tenant at law, or in equity, including, but not limited to the right of Specific Performance.

20. ATTORNEYS' FEES

In the event either party requires the services of an attorney in connection with enforcing any of the terms, covenants, and/or conditions of this Lease, or in the event a lawsuit is brought for the recovery of any Rent due under this Lease, or for any other sum or amount, or for the breach of any term, covenant, and/or condition of this Lease, or for return of the Premises to the Landlord and/or eviction of the Tenant during the term, or after the expiration thereof, each party hereby expressly agrees to be responsible for its own attorneys' fees, and other legal costs and expenses, including, but not limited to, expenses associated with expert witnesses, whether incurred at trial, on appeal, or otherwise.

21. CANCELLATION

Separate and apart from any other rights granted to the Tenant to cancel or otherwise terminate this Lease, the Tenant shall have the right, at any time, without cause, to terminate this Lease by giving the Landlord at least sixty (60) days' advanced written notice of such cancellation. Upon such cancellation, this Lease shall terminate as though the cancellation date were the date originally fixed as the end of the Term of this Lease. If Tenant cancels this Lease within the initial Term the Tenant will be responsible for reimbursing Landlord for the unamortized portion of the Landlord Improvements estimated at \$680,610.00 (i.e., \$11,343.50 per month over sixty (60) months), so long as the Landlord had provided the Tenant, in accordance with this Lease, with a copy of any and all invoices, receipts, release of liens, and copies of cancelled checks evidencing such Landlord Improvements.

22. TENANT'S SUBORDINATION TO MORTGAGE

It is specifically acknowledged and agreed that by and between the Landlord and the Tenant that the Landlord may, from time to time, secure a construction loan and/or mortgage on the Premises, the Building, and/or the Land from a bank, savings and loan institution, insurance company, or other lending institution; and that this Lease is and shall be subordinate to the lien of said construction loan and/or mortgage; and the Tenant hereby agrees that it will execute such subordination and non-disturbance agreements, or other documents, as may be reasonably required

by such lending institution, provided however, that the loan documents, mortgage, and/or subordination agreement contain a provision which states that the Tenant shall not be disturbed in its possession and occupancy of the Premises during the Term of this Lease.

23. CONDITION OF PREMISES AT TERMINATION

- (a) Upon the expiration or earlier termination of this Lease, the Tenant will quit and surrender the Premises in good order and repair, with reasonable wear and tear excepted. The Premises shall be left by the Tenant in broom swept condition. However, the Tenant shall not be obligated to repair any damage, which the Landlord is required to repair. Any and all fixtures, window treatments, keypads, and keys, at the expiration or earlier termination of this Lease, shall revert back to the Landlord.
- (b) If the Tenant, after the commencement of this Lease, installed any shelving, lighting, communication cabling, supplemental HVAC systems, portable partitions, and/or any trade fixtures; and/or if the Tenant installed any signs, or other standard identification of the Tenant, then, any item, property, or fixture so installed shall be and remain the property of the Tenant, which the Tenant may remove at the expiration or early termination of this Lease, provided that in such removal the Tenant shall repair any and all damage caused to the Premises, in a good and workman-like manner. The Tenant shall not remove any fixtures, equipment, and/or additions which are normally considered in the real estate industry to be affixed to realty such as, but not limited to, electrical conduit and wiring, panel or circuit boxes, terminal boxes, central HVAC, duct work, and plumbing fixtures.

24. NOTICES

- (h) Landlord represents and covenants that there are no vermin, termites, insects, or pests of any kind or nature within the Premises, and/or in the Building. Should the Tenant find

26. TENANT'S REPRESENTATIONS AND COVENANTS

Tenant hereby represents and covenants to the Landlord the following:

Tenant hereby represents and covenants to Landlord that it has full power and authority to enter into this Lease and perform in accordance with its Terms, conditions and provisions and that the person signing this Lease on behalf of the Tenant has the authority to bind the Tenant, and to enter into this transaction and Tenant has taken all requisite action and steps to legally authorize it to execute, deliver and perform pursuant to this Lease.

27. FORCE MAJEURE

In the event that the Tenant or the Landlord shall be delayed, hindered in, or prevented from, the performance of any act or obligation required under this Lease by reason of a strike, lockout, inability to procure materials, failure of power, restrictive government laws or regulations, riots, insurrection, or another reason beyond their control, the prevented party shall provide notice to the other party, and the performance of such act shall be excused for the period of the delay, and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay.

28. RADON GAS

Radon gas is a naturally occurring radioactive gas that when it has accumulated in a building or structure in sufficient quantities may present health risks to persons who are exposed to it over time. Levels of radon gas that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon gas, and radon testing, may be obtained from the county health department.

29. BUILDING RULES

Tenant will comply with the rules of the Building adopted and altered by Landlord from time to time and will cause all of its agents, employees, invitees and visitors to do so; and all changes to such rules will be sent by Landlord to Tenant in writing at least thirty (30) days before implementation of such rules. Notwithstanding the foregoing, should any of the rules for the Building conflict with the terms and conditions of this Lease, then this Lease shall control.

30. MISCELLANEOUS

A.) Severability. If any provisions of this Lease or the application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Lease, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue valid and be enforced to the fullest extent permitted by law.

B.) Captions. The article headings and captions of this Lease are for convenience and reference only and in no way define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

- C.) Relationship of Parties. This Lease does not create the relationship of principal and agent, or of mortgagee and mortgagor, or a partnership, or a joint venture, or of any association between Landlord and Tenant, the sole relationship between Landlord and Tenant being that of Landlord and Tenant, or Lessor and Lessee.
- D.) Recording. The parties acknowledge and agree that the Tenant will file a copy of this Lease with the Clerk for the Board.
- E.) Construction. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the party or parties may require. The parties hereby acknowledge and agree that each was properly represented by counsel and this Lease was negotiated and drafted at arm's length so that the judicial rule of construction to the effect that a legal document shall be construed against the draftsman shall be inapplicable to this Lease which has been drafted by counsel for both Landlord and Tenant.
- F.) Entire Agreement. It is expressly understood and agreed that this Lease contains all of the terms, covenants, conditions, and agreements between the parties hereto relating to the subject matter of this Lease, and that no prior agreements, contracts, or understandings, either oral or written, pertaining to the same shall be valid or of any force and/or effect. This Lease contains the entire agreement between the parties hereto, and shall not be amended, modified, or changed in any manner except by a written instrument, which is approved by the Board, and signed by the County Mayor, or the County Mayor's designee.
- G.) Performance. As otherwise described in this Lease, if there is a default with respect to any of the Landlord's covenants, warranties, obligations, or representations under this Lease, and if the default continues more than thirty (30) days after notice in writing from Tenant to Landlord specifying the default, Tenant may, at its option and without affecting any other remedy hereunder, cure such default and deduct the cost thereof from the next accruing installment or installments of Rent payable hereunder until Tenant shall have been fully reimbursed for such expenditures, together with interest thereon at a rate equal to the then highest lawful interest rate. If this Lease terminates prior to Tenant's receiving full reimbursement, Landlord shall pay the un-reimbursed balance plus accrued interest to Tenant on demand.
- H.) Successors and Assigns. The Terms herein contained shall bind and insure to the benefit of Landlord, its successors and assigns, and to the Tenant, its successors and assigns (including any subtenants or assignees as appropriate and applicable), except as may be otherwise provided herein.
- I.) Holidays. It is hereby agreed and declared that whenever the day on which a payment is due under the Terms of this Lease, or the last day on which a response is due to a notice, or the last day of a cure period falls on a day which is a legal holiday in Miami-Dade County, Florida, or on a Saturday or Sunday, and/or state or federal holidays, then such due date or cure period expiration date shall be postponed to the next following business day.
- J.) Days. Any mention in this Lease of a period of days for performance, unless otherwise described herein, shall mean calendar days.

- K.) Waiver. Any waiver on behalf of any party shall be evidenced in writing. Landlord or Tenant's failure to take advantage of any default hereunder, or breach of any Term, covenant, condition, or agreement of this Lease on the part of the Landlord or Tenant to be performed shall not be (or be construed to be) a waiver thereof. Likewise, the parties further agree that any custom or practice that may grow between the parties in the course of administering this Lease cannot be construed to waive or to lessen the right of the Landlord or Tenant to insist upon the complete performance by the Landlord or the Tenant of any Term, covenant, condition, or agreement hereof, or to prevent the exercise of any rights given by either of them on account of any such custom or practice. Waiver of a particular default under this Lease, or waiver of any breach of any term, condition, covenant, or agreement of this Lease, or any leniency shown by the Landlord or the Tenant in respect thereto, shall not be construed as, or constitute a waiver of any other or subsequent defaults under this Lease, or a waiver of the right of either party to proceed against the other party for the same or any other subsequent default under, or breach of any other term, covenant, condition, or agreement of this Lease.
- L.) Subordination. This Lease is and shall be subject and subordinate in all respects to any and all mortgages and deeds of trusts, now or hereafter placed on the Building, the Land, and/or the Premises, and to all renewals, modifications, and extensions thereof.
- M.) Exhibit and Schedules. Each and every Exhibit and/or Schedule referred to in this Lease is incorporated herein by reference. The Exhibits and Schedules, even if not physically attached, shall still be treated as part of the Lease.
- N.) Time is of the Essence. Time is of the essence with regards to all of the terms, conditions, and covenants of this Lease.
- O.) Venue, Conflict of Laws, and Jurisdiction. The parties hereby acknowledge and agree that venue shall be in Miami-Dade County, Florida. The laws of the State of Florida shall govern the interpretation, validity, performance, and enforcement of this Lease.
- P.) Brokers. Landlord and Tenant hereby represent and agree that no real estate broker or other person is entitled to claim a commission as a result of the execution and delivery of this Lease.
